

# WELCOME DAY!

**Saturday September 16**

**Hosted by The Friends of HBMS**, Welcome Day features delicious treats for all who stop by; an opportunity to purchase HB Teddy Bears, tote bags, and sweatshirts; and a Concert Clothing Swap, through which young performers who have outgrown last year's outfits can find new ones in just the right size. Bring your too-small items to contribute to the clothes rack and, for a \$5 contribution, waltz off with a new black skirt or pair of trousers!

## **Parent Orientation: 1:00 – 2:30 pm**

Tailored for parents and caregivers interested in learning how to make the most of the myriad classes, ensembles, performance opportunities, and other services Hoff-Barthelson provides children and youth. **Executive Director Ken Cole** and **Dean Ruth Alperson** present an overview of the School's core programs and various learning

pathways available to children of all ages, interests and stages of development. Veteran parents and students will be on hand to share advice for taking advantage of all that the School offers as well as connecting with the vibrant parent and student communities that can greatly enhance your Hoff-Barthelson experience.

## **Adult Students Open House: 3:30 – 5:00 pm**

Join us for a preview of the many programs designed especially for adults, including not only lessons, but chamber music, jazz and flute ensembles, classes, low-pressure performance opportunities, and some new lecture/performances on opera and great composers that we're excited to launch this year. We'll round out the afternoon with some live music and a reception during which you can mix and mingle with other adult students over wine and cheese!
