Bronxville resident Joseph Fong, though not a professional musician, has passionately pursued music composition, earning accolades in various competitions. His musical journey began with piano studies in Hong Kong and continued at Yale University, where he studied under Jonathan Berger. Fong has won prestigious awards, including the University of Notre Dame Magnificat Choir Composition Competition and the Basilica Schola Composition Competition.

His composition "Suite Miniature" made its world premiere at Hoff-Barthelson Music School's "Music of Our Time Festival" on May 19, 2024. "Suite Miniature," meticulously crafted for a six-part flute ensemble, epitomizes brevity and diversity, with each movement offering a unique musical narrative within a concise time frame. Fong's composition skillfully explores the expressive potential of the flute instrument family, captivating audiences with its enchanting melodies and rhythmic intricacies.

We are excited to announce that the Flute Clubs have been invited to perform at the Opening of the United Nations High-level Political Forum on Sustainable Development 2024 on July 8. Additional information coming soon!
