## Honors Program

---

The Honors Program is for talented students who are motivated and working up to their potential. Students must be 12 years or older; exceptions are made on occasion for a very gifted child.

Students NEW to HB must be enrolled in the School's Comprehensive program for two semesters before being eligible for the program. This requirement is waived for students who have been recruited to HB by their private lesson instructor; these students may audition for the Honors Program without having been enrolled at HB for two semesters.

Auditions are held in June and September. The audition committee includes the Honors Program coordinator and two additional faculty adjudicators.

Detailed information on audition requirements, participation requirements and more can be found [here](#).

### **Audition requirements**

- **Pianists:** Four octaves of two major scales and two relative minor scales in harmonic and melodic forms; two contrasting selections from two different periods.
- **String instruments (including classical guitar):** Three octaves of two major scales and two relative minor scales in harmonic and melodic forms; two contrasting selections from two different periods.

### **Recital Requirements**

- **Students in the Honors Program are required to perform in two special Honors Recitals per year**, one at the conclusion of each semester. Each Honors recital program should total no more than 20 minutes. These recitals are adjudicated by a faculty panel comprised

of the Honors Program Coordinator and two additional HBMS faculty members. Students must bring three copies of their music for the panel.

- **Honors students must also perform in at least two regular student recitals each year.** These may be scheduled at any time during the year by the student's private lesson instructor.
- **Participation in Festivals in Style: Baroque and Beyond or Spanning the Centuries (March) and Music of Our Time (May)** Honors students are encouraged but not required to perform during our two audition-based festivals each year. Students' January Honors Recital performance may serve as their audition for the March Festival. For Music of Our Time, Honors students must schedule an audition in April.
- **Performance Evaluation**  
Evaluation forms are completed by the Honors Program coordinator, as well as two other faculty adjudicators, in response to each student's performance. These forms are given to the teacher to be shared with the student and family at the teacher's discretion. Students in the program who have achieved a record of good attendance at all activities, and have fulfilled all requirements, will receive an Honors certificate at the conclusion of the academic year, and a special Honors award upon graduation.

Students who receive an evaluation which indicates that the standard of playing is not up to that of the Honors Program will be placed on probation. If the faculty members present at the next recital feel that an adequate standard has still not been achieved, the student's teacher will be informed that the program is no longer appropriate for the child. If a child is not working, and you, the teacher, feel s/he should be withdrawn from the program, this can be done at any time.

### **Professional Performance Attendance**

Honors students are expected to attend one professional performance each year. Afterwards, students must submit the concert program from that performance to Terry Wager, Student Services Manager at [twager@hbms.org](mailto:twager@hbms.org) or in-person in the Business Office. Unless requested by the student, programs will not be returned. Note that *H-B Artist Series* recitals performed by HBMS faculty members are an ideal choice and there is no charge for Hoff-Barthelson students.

### **Attendance Requirements**

Honors students may not have more than two absences per semester for Musicianship classes or ensemble rehearsals.
