

NEW STUDENT REFERRAL REWARDS PROGRAM

SUMMER ARTS PROGRAM

Hoff-Barthelson Music School

Your recommendations of our programs are important to us!

New, this year, we are offering you a reward for referrals you make to our Summer Arts Program (SAP).

HERE IS HOW IT WORKS:

- Rewards are for the HBMS family that makes the referral.
- Rewards are limited to referrals to students new to the Summer Arts Program (they can be current HBMS families or new external students who have not yet participated in SAP).
- The reward is a \$50 tuition credit. There is no 'cash out' option; rewards are processed to your HBMS account at the end of the Summer Arts Program; reward credits must be used during the 2020-21 academic year (ending June 30, 2021).
- Referral reward credits are usable by anyone included in your family account at HBMS.
- There is no limit to the number of referrals rewards one can earn.

OUR PROCESS:

- Referred students/families **MUST** include the name of the person who referred them at the time that they complete registration. There is a field requesting this information included in our online registration process.
- Families who have made a referral **MUST** email summerarts@hbms.org with the name and email address of the person/family you referred.
- Referral rewards will be processed at the conclusion of the 2020 Summer Arts Program to the account of the HBMS family that made the referral.
