Your recommendations of our programs are important to us!

We are offering you a reward for referrals you make to our Summer Arts Program (SAP).

HERE IS HOW IT WORKS:

• Rewards are for the HBMS family that makes the referral.
• Rewards are limited to referrals to students from families that are new to the School.
• The reward is a $50 tuition credit. There is no ‘cash out’ option; rewards are processed to your HBMS account at the end of the Summer Arts Program; reward credits must be used during the 2022-23 academic year (ending June 30, 2023).
• Referral reward credits are usable by anyone included in your family account at HBMS.
• There is no limit to the number of referrals rewards one can earn.

OUR PROCESS:

• Referred students/families MUST include the name of the person who referred them at the time that they complete registration. There is a field requesting this information included in our online registration process.
• Families who have made a referral MUST e-mail registration@hbms.org with the name and e-mail address of the person/family you referred.
• Families who have been referred MUST e-mail registration@hbms.org with the name and e-mail address of the person/family who referred you.
• Referral rewards will be processed at the conclusion of the 2022 Summer Arts Program to the account of the HBMS family that made the referral.

Questions? Please e-mail registration@hbms.org, or call 914-723-1169
