## 2020 Summer Lessons Online!

We have designed our 2020 Summer Lesson Program for maximum flexibility: students may register for as few or as many lessons as they like between June 2 and August 28.

All lessons will be offered online so scheduling is bounded only by your and your teacher's mutual availability.

### Service and Pricing

Since tuition for Summer Lessons does not include musicianship classes or ensemble opportunities, price points are considerably lower than during the academic year. To entice you further, we are pleased to offer a 10% discount on purchases of 3 or more lessons per student. The registration fee is just \$20 per student.

Lesson Length	1 or 2 Lessons	3 or more Lessons
30 minutes	\$99	\$89.10
45 minutes	\$134	\$120.60
60 minutes	\$169	\$152.10
75 minutes	\$210	\$189
90 minutes	\$250	\$225

Students taking Summer Lessons will enjoy opportunities to participate in online performance workshops and recitals, and benefit from our Accompaniment Service, which can provide recordings to support online students' practice and performance.

### How to Register: New Students

Students new to Hoff-Barthelson should fill out the [2020 Summer Registration Form](#). Once received, a member of our staff will contact you to build your ideal Summer Lesson schedule. We'll then email you a confirmation with a link to our Summer Lesson payment portal so that you can complete your purchase and lessons can begin!

### How to Register: Current Students

Not all HBMS faculty members teach during the summer and hours may differ for those who do. If you are a current student, please consult with your teacher about scheduling before beginning the registration process. If your teacher will not be available over the summer, feel free to ask him or her to recommend another HBMS faculty member with whom you or your child can study.

Once you have a *general* sense of your schedule (you do not need to work out all the details up front), fill out the [2020 Summer Registration Form](#) so that our staff can work with you and your teacher to build your ideal Summer Lesson schedule. We'll then email you a confirmation with a link to our Summer Lesson payment portal so that you can complete your purchase and lessons can begin!

Should you have any questions, please don't hesitate to email or call our Student and Faculty Services Department at 914-723-1169 or [studentservices@hbms.org](mailto:studentservices@hbms.org). They'll be delighted to assist!

Sincerely,

Ken Cole
