

# Suzuki Summer Playdowns

Thursdays, July 1, 8, 15, 22, and 29 from 5:00 - 6:00 pm

**S**uzuki violin students in Books 1-4 are invited to register to play pieces together, in-person, this summer at Hoff-Barthelson Music School!

Students who have advanced beyond Book 4 may attend and play complimentary parts from the Suzuki Duet Book. Each Summer Playdown Evening includes 45-minutes of playing time in the auditorium, and 15-minutes of social time on the HBMS porch with cookies and juice.

Students may attend any number of the Playdown Evenings they wish. Those who attend multiple Summer Playdown Evenings will benefit from small assignments to prepare for the next Summer Playdown Evening, and to help focus their summer practice.

**\$15 per student per event, or purchase all 5 events for \$60.**

**Current HBMS students may register online.**

**Students new to the School should contact the School for assistance in registering.**

One parent/guardian per student may attend these in-person events.

The School's COVID safety precautions – social distancing, masking, use of well-ventilated spaces and more – are in effect for all students.
